# legitquest™

Information ▪ Insight ▪ Intelligence

Unfair advantage to enterprises to make data-driven decisions, reduce risk & win cases using intelligence from **Asia's largest litigation database**

## WHO ARE WE?

Legitquest is a leading Generative AI enterprise platform with Asia's largest litigation database. We offer advanced solutions, including Legal Research, Litigation Management, and LIBIL (Litigation & Asset Check), empowering law firms, corporations, and government agencies to reduce costs, mitigate risks, and make informed decisions.

## OUR JOURNEY

Legitquest was founded in 2017 to revolutionize legal research through technology. What began as a mission to simplify legal information has grown into an AI-powered ecosystem enhancing speed, accuracy and efficiency for legal professionals. With innovations like Gen AI Chat ZAIAN and LIBIL, we continue to redefine legal tech.

# Legal Research Tool

AI-powered research tool delivering precise, fast
